

EDUCATION DEPARTMENT.

OFFICE OF THE INSPECTOR-GENERAL OF EDUCATION.

Notification D. No. 1 dated 10th January 1918.

The Officiating Inspector-General will be glad to see Government Officers; visitors and other gentlemen on business at his office on every Thursday, not being a Gazetted holiday, between the hours of 12 noon and 4 P.M.

During his absence on tour from Headquarters, the Deputy Inspector-General of Education or the Assistant to the Inspector-General of Education, will receive visitors, and attend to them.

Notification D. No. 71, dated 25th February 1918.

As it is under contemplation to open new Girls' Schools in connection with the introduction of Compulsory Education for girls in the Cities of Bangalore and Mysore, school houses are required in the various localities shown in the appended statement. House owners who are willing to let their houses for the purpose of the said schools are requested to apply to the Inspector-General of Education furnishing the items of information shown below and forwarding sketch plans of the buildings and their premises.

1. Name of Mohalla in which the building is situated.
2. The exact situation of the building, i.e., the name of the street and door No.
3. Approximate floor area with the number of rooms and the size of each.
4. Nature of the flooring, whether slabbed or concrete or flooring tiles.
5. Nature of the roofing whether country tiles or Mangalore tiles or terraced.
6. Area of open space round the building, if any.
7. Amount of monthly rent demanded.
8. Whether the owner is willing to execute a mutchalika to let out the building for a period of three years or for any other period.

The school houses should contain the approximate floor area shown in the statement, and should be satisfactory in respect of light and ventilation, as well as general sanitation.

Statement of School houses required for the purpose of opening New Girls' Schools.

Notification D. No. 72, dated 25th February 1918.

Admissions to the various classes of the Training Institutions will be made in the first week of June 1918. The classes to which admissions are to be made, the number of teachers to be admitted to each class and the rates of stipends allowed to private students and allowances to substitutes to be employed in place of the teachers selected are shown in the following table. Government teachers under training will draw their own pay during the period of training and will also be paid the usual travelling allowance for a single journey from and to their respective schools.

Teachers in the employment of Government, desirous of joining the classes should apply at once to their respective Inspecting Officers. Teachers of aided schools may also be admitted to the classes and the grant of stipends to them, will be regulated by Rule 4 (g) of the Grant-in-aid Code. Applications for stipends in respect of such teachers should be made by the managers of the aided schools to the Inspector-General of Education before the 1st April 1918.
